

Bus times and routes during Cawood bridge closure for Cawood, Wistow, Kelfield, Stillingfleet & Naburn

Cawood Bridge will be closed from 24th July to 3rd September 2017.

During the closure of Cawood Bridge to be able to maintain villages links with Selby and York we need to change the route our services 42-0 and 42-2 to use the A19. Our replacement services for the closure period are :-

Service 42X running between Cawood and York via Selby and then non-stop along A19 to Fulford and York.

Service 42-6 will provide the villages east of the river Ouse with their links to Selby and York.

Inevitably this means there are some changes to the times of journeys but we have tried to keep the times similar wherever possible. To maintain links between villages the two services are timed to enable such journeys by a change of bus in Selby.

This leaflet covers how the links to Selby and York will be maintained for Cawood, Wistow, the Charles Street area of Selby and the villages of Kelfield, Stillingfleet and Naburn which lie to the east of the river Ouse whilst Cawood Bridge is closed.
