

Walks around Escrick

(Information for residents and visitors)

There are lots, e.g. three below, of places to go for a walk to/from and in/around the village:

1. Gashouse wood up QM drive to Yorkshire Gents cricket pavilion and up to the Temple
2. Along the Carr Lane beck to the disused Mine site and back along New Road.
3. Across to the Sustrans cycle path and back via / past Crabtree Farm.

n.b. Route along the Stillingfleet Road has no path, so wearing high visibility gear is recommended.

The grass field, towards Chequer Hall, hosts grazing cows & calves, so keep dog(s) on lead.

The walk from the village green via / in Gashouse woods is perhaps the most popular.
